PROFFESSIONAL SUMMURY

A Creative Graphic Designer with experience in Corporate design, Advertising design, Publication design and U I design. Adept in developing engaging visual solutions to establish cohesive brand identities for clients.
Design is a journey, a process of discovery that is fuel with research and creative passion as well as the desire to enrich and ignite communication.
I believe inspiration for graphic design comes from everywhere, the trick is what you look for and how you see it, this principle has helped me in my design journey.
My love for reading, playing games and listening to music, has provided me with food and thought, which is what I believe also fuels my creativity
